Dear «SALUTATION»,

Thank you for your recent gift to the College of Education. We deeply appreciate your generosity and investment in the future educators of our nation.

The past week has been one of uncertainty, and will surely be remembered as an inflection point that challenged all members of our community to rethink the way we approach our daily lives and work. Your generosity and support during this difficult time are greatly appreciated.

Stay well!

Glenn E. Good, PhD. Dean and Professor

P.S.: Please find above a UF themed puzzle for your enjoyment while you are adhering to the suggested Social Distancing measure.
