

Dear Lynne,

First and foremost, we hope this finds you well. This is a difficult time for our world, especially if you or your loved ones are dealing with illness or other hardships as a result of the pandemic. Please know that we are holding you in our hearts.

You have shown so much care for UR over the years, and now it's our turn

to care for you. Every other week, we will share resources such as coloring pages, uplifting stories, classic recipes from our favorite Spiders, and free programming such as entertainment, workouts, and guided meditation.

Thank you for being a special part of the Spider community. Below you will find our first “care package.” We hope you enjoy it, and we look forward to being in touch again soon.

Sincerely,

Chnoic Clarke
