

# COWBOY FAMILY

*Together we can*

**Dear Lynne,**

Ordinarily at this point in the academic year, we at the OSU Foundation would be reaching out with messaging from deans and conducting Give Orange, our annual day of giving. Connecting with you and raising gifts to support our university brings us great joy. We look forward to it when we come to work every day.

At the time we write this, many of you are working from home and self-isolating. Some of you are responding to this emergency as a professional or volunteer. Many of you have been affected directly by illness and the loss of employment. As much as we would like to proceed as usual with the work we love so well, it is just not the right thing to do.

So today, instead of sending the usual messaging, we are taking the opportunity to say that **wherever you are and whatever is happening in your life, you are part of the Cowboy Family and you are in our hearts and minds as we navigate this difficult situation together.**

Go Pokes.
