You're why the YMCA is more than just a gym. It's true that the Y has world-class health and wellness services, but it's donations like your gift of \$«AMOUNT» on «GIFT\_DATE» that make sure everyone, no matter who they are or where they come from, have a place where they feel like they belong.

Meet Miss Caroline. She's been working for the Y since 2003 in our childcare,

### In Miss Caroline's words, "Every child should feel loved."

preschools, and summer camps. One of the many things she does for the Y is check in kiddos at camp. She has colorful marks all over her check-in sheet, making it look like a unicorn sneezed on it while not wearing a mask.

She doesn't color the sheet simply for looks. She circles the name of any camper in orange ink whose name she doesn't remember off the top of her head so she can welcome them properly to camp the next time. In Miss Caroline's words, "Every child should feel loved."

Like you, Miss Caroline embodies the nurturing and welcoming values we hold dear at the Y. You went above and beyond by donating to the Y and she goes above and beyond to make sure that every kiddo who walks through our doors feels like they belong. Her overflowing enthusiasm is contagious and it's impossible not to smile after speaking with her.

For the countless children she's welcomed to the Y over the years, she's the difference between an average day and an amazing one. People like you and Caroline make the Y special. You both go the extra mile to make sure that everyone, no matter their age, ethnicity, or background, have a place where they feel loved at their local YMCA. Thank you!

Sincerely,

You and **XXX** are why the YMCA is more than just a gym. ### Like John, who cared for his dying daughter when faced with devastating news, you're caring for our YMCA family with your generosity

John (name changed for confidentiality) always leaves the food pantry at Southern Community Services in the W. Dale Brougher Foundation YMCA with a smile, but it didn't start out that way. John is a hard worker and had always been able to provide for himself and his family, but, last year, he found himself in need of help for the first time in his life.

His daughter and only child had been diagnosed with cancer and, rather than fall into despair, he made it his life's purpose to make her final few months as comfortable as possible. However, doing so drained all of his savings, leaving him wondering how he would get by.

With nowhere else to go, he turned to his local YMCA and Southern Community Services. After John shared his story with us, we cried together, but then got to work packing up food for him to take home.

Rather than let life's tragedies keep you down, you're working to keep people like John moving forward. Like John, who cared for his dying daughter when faced with devastating news, you're caring for our YMCA family with your generosity even when confronted **with XXX's passing**.

Thank you for your standing alongside the individuals touched by the YMCA's work with your gift. These are challenging times for so many reasons so, if we can help in any way, please never hesitate to reach out to us.

Sincerely,

Larry M. Richardson

You're why the YMCA's work is continuing, no matter what. Now more than ever, people need a place to go to where they feel like they belong. They can find that place at their local YMCA thanks to you and your gift of \$«AMOUNT» on «GIFT\_DATE». Even though 2020 was hard for all of us and 2021 is looking like it will have its own share of challenges, your support allowed us to move forward with making our facilities the best they can possible be.

You made it possible for us to complete the construction at The W. Dale Brougher Foundation YMCA in Shrewsbury. Now, older adults will have access to a warm water pool so that they can stay active and young people will be able to go to a new basketball gym so that they can get involved with positive activities and stay out of trouble.

But we're not done yet! This year, we're planning to complete the urban park in downtown York City and start our enhancements to the Bob Hoffman YMCA in Dover. We have no doubt that these projects will be just as successful as the ones in Shrewsbury because of amazing supporters like you.

You're why the Y is a place where everyone can feel welcome and, by making our capital projects possible, you're ensuring that everyone in our community has a place they can call home at their local YMCA. Thank you!

Sincerely,

Larry M. Richardson

“Because of you, our staff were able to work with Ronald and his son to find stable housing while their apartment was repaired”

Take Ronald for example. While 2020 brought unique challenges to everyone, Ronald and his family still had to deal with other less-unprecedented challenges. In the spring of 2020, Ronald's apartment caught fire, making him and his son homeless. With nowhere else to go, they turned to the YMCA, where they found the help they needed to land on their feet.

The fire that forced Ronald and his son out of their homes

Because of you, our staff were able to work with Ronald and his son to find stable housing while their apartment was repaired and give them food and household goods after theirs were destroyed by the fire. One of our staff, Jose, heard they didn't have any beds in their new home so he went out and got them two new beds. You're why Ronald and his family now could sleep easy under a roof with full stomachs in warm beds.

Whether it's giving food to someone in need in our branch in Shrewsbury or giving a home to a family in need in York, you're why people like Ronald and his son are making it through these times. It's incredibly generous people like you that lift up everyone in our community. With you on our side, nothing is impossible at the Y. Thank you!

Sincerely,

Dear «SALUTATION»,

No one should have to face today's challenges alone and, because of your donation of \$«AMOUNT» on «GIFT\_DATE», Mary won't have to.

Mary, an older adult, had been a frequent flyer at her local YMCA, where she saw all her friends and worked out to stay healthy. In the beginning of 2020, she was in a groove and feeling great, both mentally and physically. Then, in March, the world shut down and, with it, the Y.

**Mary had been convinced that the pandemic would be the end of her, but you and your donation, in her words, "saved her life."**

Being a widow, Mary was all alone as she faced a world without her friends and fitness classes, leading her to experience depression and health issues. But, because people like you stand by the YMCA, we reopened in June and were there again for people like Mary.

Your donation is why Mary can now rejoin her friends for outdoor group exercise classes. Her life turned around as soon as she rejoined her friends in fitness. Not only is her health improving, but she also feels like her life has a purpose again. Mary had been convinced that the pandemic would be the end of her, but you and your donation, in her words, "saved her life."

By making generous financial aid possible, you're why our health and wellness programs are available for all. Without you, people like Mary would be left all alone to face today's overwhelming challenges. But, with you standing behind the YMCA and our work, she will make it through this and live her best life possible. Thank you!

Sincerely,

Larry M. Richardson

Dear Cody,

On behalf of Team Rubicon, I would like to thank you for your generous contribution of \$1.03. **Your support provides relief to communities affected by natural disasters and humanitarian crises, while enabling volunteers, most of whom are military veterans, to continue their service**, often regaining a sense of purpose, community, and identity in their civilian lives.

**In 2020, Team Rubicon served more than 17,000 individuals** – restoring lifelines and livelihoods and helping vulnerable communities build resilience. **Your support helps people hard-hit by disasters receive critical services including site surveys, debris management and removal, expedient home repair like tarping roofs, chainsaw services to remove fallen and hazardous trees, mucking and gutting flooded homes, and international medical services.** To date, Team Rubicon has completed nearly 800 operations domestically and internationally. With a volunteer force surpassing 138,000 members, we will continue to have an even greater impact for people in need.

**In response to COVID-19, we have been safely meeting the needs of communities nationwide** by partnering with federal, state, and local organizations and agencies to provide medical services, food delivery, and logistics and planning support. **Currently, Team Rubicon is assisting in COVID-19 vaccination delivery and distribution.** Our goal is to provide vaccine distribution support so the healthcare providers can continue to provide primary care services or vaccinate.

Team Rubicon is designed for flexibility, nimbleness, and innovation. We repurpose military

veterans' unparalleled skills and experience to serve our most vulnerable communities. **We will always be built to serve, and we will continue to carry out our mission with your support.**

Thank you for making recovery and hope your mission too.

Sincerely,

I speak for all of Team Rubicon and those we serve when I say thank you and for your generous support this past year. You've made Team Rubicon's mission *your* mission too, and as a dedicated donor you gave time(s) for a total of in 2020, enabling us to help the most vulnerable communities.

**As an organization built in 2010 to respond to disasters and humanitarian crises, we've completed 790 operations as of December 31, 2020. Thanks to your investment, Team Rubicon's predominantly military veteran volunteer force served communities on 366 operations in 2020 and 331 of those were in direct response to the COVID-19 pandemic.**

At the onset of the COVID-19 outbreak in the United States, we abruptly pivoted our mission to meet urgent needs, such as food support and delivery services, COVID-19 testing, domestic medical responses, and now in 2021, vaccination distribution and support. Even while our teams mobilized for new services nationwide, our commitment to help survivors recover from disasters remained a priority.

Unlike years past, nearly all disasters in 2020 were low-attention disasters —despite the heartbreaking and costly damages. But Team Rubicon's Greyshirt volunteers were there in response to tornados, wildfires,

derechos, and another record-breaking Atlantic hurricane season with 30 named storms. **In the unfortunate aftermath of Hurricanes Laura and Sally along the U.S. Gulf Coast, we assisted more than 1,870 homeowners and residents across four states.**

Last year required a heck of a lot of heart, grit, and agility to accomplish all the good we did, and we're doubling down in 2021. Together, we can continue to have incredible impact on those we serve and those who continue their service in the wake of disasters and crises. Thank you for your continued investment in Team Rubicon.

Sincerely,

Jake Wood

Dear Delores,

Thank you for your recent gift to Sunflower House. Your generous donation of \$25.00 received on 1/14/21 helps ensure that Sunflower House will be here when kids need us most. Over 500 abused children and their families in Johnson and Wyandotte counties continue to rely on Sunflower House each year to provide a safe and child-friendly environment to share the details of their abuse with investigators.

The cornerstone of our work, however, continues to remain in the area of child abuse *prevention*. We annually train more than 20,000 children in nearly 170 schools and early childhood centers, teaching kids the difference between welcome and unwelcome touch, how to report inappropriate touching and that abuse is never the fault of the child.

Since it appears that you are a new donor to Sunflower House, I wanted to send you some extra information about who we are and other ways that you can get involved. If you have any questions or want to set up a time to come out for a tour of our agency, PLEASE feel free to contact me directly.

On behalf of the children we serve, we appreciate your generosity. Preventing the abuse of an innocent child is one of the greatest investments you can make in your community. Thank you for joining our important mission to prevent child abuse.

Sincerely,

Thank you for responding to our February newsletter, where Mother Della Marie, Sr. Anna Rose, and four of our community friends shared about responding to the pandemic with trustful surrender. Sr. Anna Rose shared that she continues to be blessed by the conversations she gets to have with our community friends. She said, “In the past weeks, I've received encouragement through hearing that my vocation as a sister helps encourage mothers to live out their vocations, and how people uphold our vocations through their daily prayer. These gratuitous acts of love inspire me to not lose heart, and to continue to lay down my life daily for my sisters and for you, through prayer and action.” Your support makes this possible.

Mr. and Mrs. xxxxxxxxxxxxxx

Detroit, MI 48201-9809

Dear Mr. and Mrs. xxxxx;

Thank you for supporting Forgotten Harvest in 2020. Your financial support of \$2,500.00 helped us to provide millions of pounds of fresh food – food that nourished our community.

This has been such a difficult time for our community. While the need for food is always high, the impact of the COVID-19 pandemic is causing extreme hardship and rapidly increasing food insecurity for many metro Detroit residents. Many of our neighbors have fallen ill. Many are out of work. Those who already were struggling are facing even greater challenges. Many are hungry for the first time in their lives.

In response, Forgotten Harvest is working with nonprofit, government, and community leaders to deliver food at sites throughout metro Detroit in the most effective and safest way possible given this unprecedented situation. We could not provide so much food for hungry families without your support.

Enclosed is a summary of your contributions to Forgotten Harvest for 2020. Again, thank you for your generosity. By partnering with Forgotten Harvest, you are truly making a difference by making sure at-risk children, families, and seniors receive nutritious food during these challenging times.

Gratefully,

Kirk Mayes  
Chief Executive Officer

P.S. Forgotten Harvest is a 501(C)(3) nonprofit organization (EIN: 38-2926476) and donations are tax deductible to the extent allowed by law. No goods or services were provided in exchange for the deductible value of these contributions.

## Thank You for Your Donation!

Thank you so much for your generous donation to the Children's Tumor Foundation's Shine a Light on NF Walk. With this donation, you have joined a group of passionate and dedicated individuals who are determined to end NF. We are thrilled to have you!

The Children's Tumor Foundation is the leading nonprofit organization dedicated to fighting neurofibromatosis (NF), a disorder that occurs in 1 in every 3,000 births. NF causes tumors to grow on nerves throughout the body and can lead to deafness, blindness, disfigurement, bone abnormalities, learning disabilities, disabling pain, and cancer. NF occurs in all populations equally, and there is not yet a cure.

You are a crucial part of this team. Because of your support, we can continue to revolutionize the way in which research and development are done. Together, we can #ENDNF.

Dear «Customer\_fname»,

I wish you could know how exciting it was to receive your most recent gift to the Center. Your decision to renew your support is more than a generous act - it's a testament to your belief in the importance and power of a thriving arts community. **Thank you.**

As we begin 2021 with hope and anticipation, we do hope you and your family are well. If there's one thing we have learned from this pandemic it is this:  
*during times of celebration and times of crisis, people turn to music.*

It lifts our spirits, comforts our souls and has the power to bind us together. Because of your loyal support, digital programming continues the mission to engage and inspire through enriching arts experiences. Digital content is bringing cultural and educational programs to even more households while online events allow supporters from across the country to participate. None of this is possible without you.

**We hope** you will take a moment this week to think about the impact you are having on the arts and the lives of those having arts experiences.

Sincerely,  
Kendra M. Latta

Dear [Salutation]:

On behalf of the faculty, staff, and most importantly the students of MSOE, thank you for your recent gift of [Amount] to the «Designation». Your investment ensures that our students will continue to discover the many places an MSOE education may take them.

It is because of the quality of the education our students receive that they are in such high demand by employers. Students come to our university prepared to work hard and be challenged. We will continue to focus on educating our current and future students with a hands-on approach that will best prepare them for their lives and future careers in engineering, nursing and business. Your support makes this possible.

One thing that remains constant to the success of MSOE is the investment of time, talent and financial resources of valued supporters like you and the partnerships that we have with our constituents.

We could not accomplish our mission without your generosity. Thank you for your support of MSOE and the future of our students.

Sincerely,

Jeffrey N. Snow  
Vice President of University Advancement
