GIVING AT RICHMOND

Chnoic,

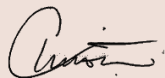

Greetings from Richmond! Campus is quiet now that most students have left for the summer, but we look forward to seeing them when they return in August.

Less than three weeks ago, we celebrated the Class of 2022 during Commencement Weekend! We are so proud of the accomplishments of our Spiders as they begin their lives as young alumni. [Learn more](#) about the Class of 2022 and where they're headed next.

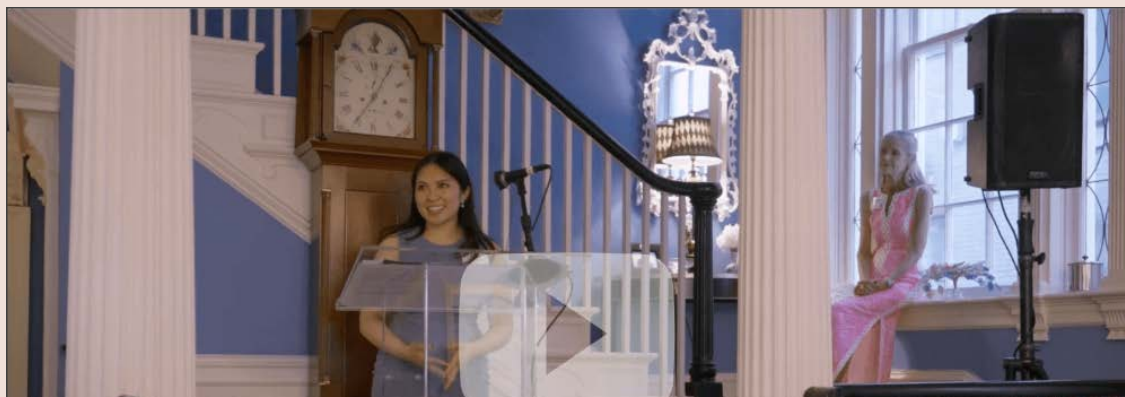

Keshav Jha, '22, was one of the nearly 800 undergraduate students who walked across the stage. A first-generation student from Nepal, Keshav was able to attend UR thanks to the generosity of the Wellde family, who established the Wellde Scholarship for International Students. He is a prime example of the impact that your giving has on deserving students.

Stories like these would not be possible without YOU - our caring supporters. I can't thank you enough for your generosity. Thanks for a great year, and have a wonderful summer!

Gratefully,

Chnoic Clarke
Director of Donor Relations

Richmond Law recently invited 1870 Society members to a reception, which included a heartwarming speech from Claudia Léonor, a rising third-year law student and scholarship recipient. Click on the video and go to 1:39 to hear Claudia.

From Nepal to Richmond

It was around 1:30 a.m. in Kathmandu, Nepal, when Keshav Jha, '22, got the email that changed his life: he had received a full tuition, room, and board scholarship to attend the University of Richmond.

Thank you for your support!

We are thrilled with the amazing results of our fourth annual UR Here Giving Day!

Your support helped us raise more than \$1.6 million for the Spider community. These funds will benefit every area of campus, from academic excellence to athletics. [Take a look](#) at a breakdown of the results.

MORE ABOUT LIFE AT RICHMOND

This spring, students in a new Bench Top Innovations course launched their own food business, Absurd Snacks. The creation of the course was partially funded by a \$1 million gift from the Brown family. [Learn more](#) about the course and Absurd Snacks.

Dear [REDACTED]

Thank you so much for your generous commitment to the Dr. Tinina Q. Cade Scholarship Fund.

Your generosity honors Tina's incredible service to Richmond and the impact she has had on so many students and alumni. Your gift will also provide invaluable resources to support generations of deserving Spiders. I know your support will mean so much to her, as it does to me.

I look forward to welcoming you to the Board of Trustees later this month and am so grateful to you for taking on this important leadership role at the University.

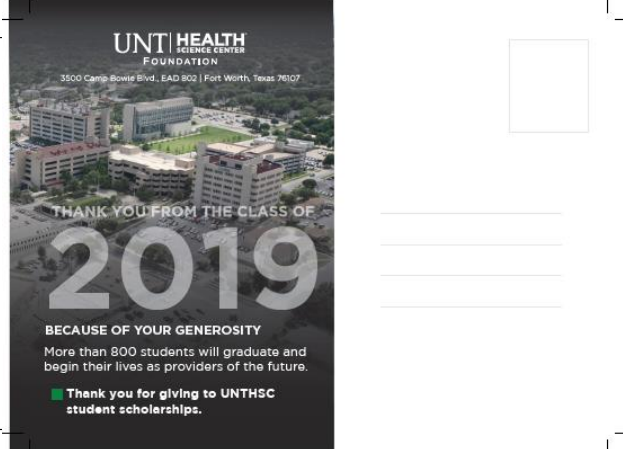

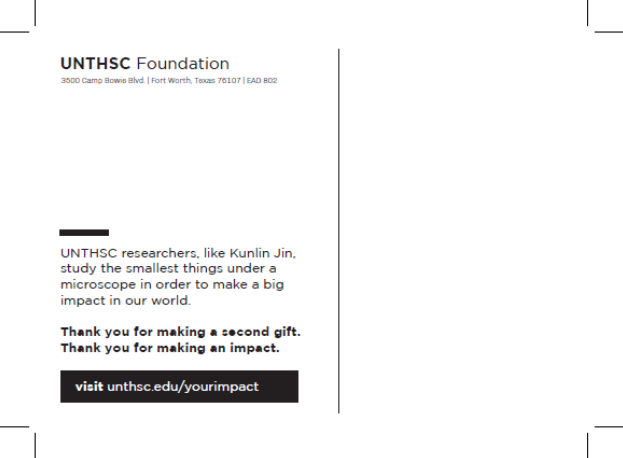

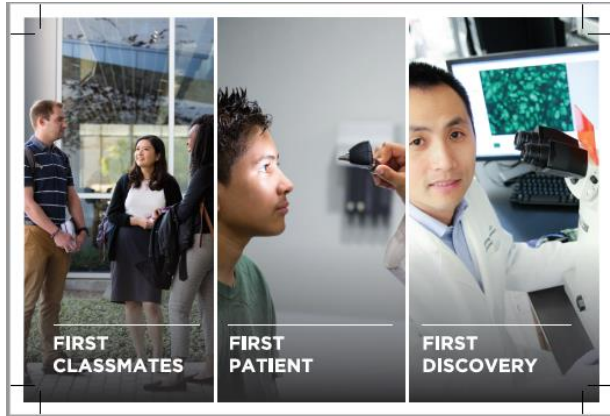

Thank you, again, for helping to make Richmond the place it is today and the place we aspire for it to be tomorrow.

Gratefully,

Scholarship Reporting

UNTHSC Foundation

THE DIFFERENCE YOU MAKE.

UNT Health Science Center students share a number of characteristics in common: they are smart, ambitious, caring and more. Unfortunately, another common bond shared by nearly all of our students is financial need. The typical scenario is that loan debt from undergraduate studies then grows during the years spent pursuing the graduate degree that launches their professional career.

Luckily, generous friends like you are making a difference.

Your support helps to offset the financial burden of graduate school and remind our students that others are cheering them on through gifts that are impactful today and tomorrow.

As you read about the student or students benefitting this year from your scholarship, please know how much your investment is appreciated. The support you offer provides a measure of confidence and peace of mind that can't be measured in dollars and cents. Believe it!

Sincerely,

Doug White

Giovanny Destin
Hometown: Fort Worth, TX
Degree program: Doctor of Osteopathic Medicine
Class: 2022

Dear Dr. and Mrs. Donald C. Dunlap, Jr.,

I am thankful to be a recipient of the 2018-2019 Dunlap Family Scholarship.

It is with a grateful heart that I accept this generous award. About two years ago, I received a letter stating that I had been accepted into the UNTHSC Texas College of Osteopathic Medicine. It was a blissful moment for my wife and I. We were prepared to face the usual challenges that medical school would bring. We had a financial plan ready, which was focused on minimizing the amount of debt we would incur at the end of the four-year period. During my first semester, that plan was forfeited due to my wife's progressing clinical condition. The state of her illness forced her to quit her job as a Licensed Professional Counselor to focus on her health. The added expense of hospital visits and prescription medications placed a great deal of financial strain on us. This award is truly a blessing and it will significantly reduce our financial anxiety for the 2018-2019 school year. It will allow me to focus on my education while my wife is receiving the care that she needs. Thank you for your investment in the University of North Texas Health Science Center and students like me.

Sincerely,
Giovanny Destin

You Did It!

Thank you, Lobo Louie,

YOUR GIFT WAS MATCHED BY YOUR EMPLOYER!

This enhances the impact on the School of Engineering.

Much of The University of New Mexico's success is a result of the support of our donors, whose collective generosity has helped launch new programs, enhanced teaching in the classrooms, augmented the research and learning environments on our campuses and in our hospitals, and continues our public service mission. Our student-athletes continue to succeed on the fields and in the classroom, and our budding artists will continue to play an integral part in the cultural life of our state and communities.

As a member of the UNM family you are a part of our history. You are also a part of our future. Your support empowers us to continue to create opportunities for current and future students. It allows us to augment our health sciences center and elevate our patient care to the level they most deserve. It supports talented faculty who enable UNM to continue to improve and grow its academic programs. We could not do any of this without you.

THANK YOU!

FROM THE DESK OF A BUCKEYE

Dear Mr. Carmen and Mrs. Carmen,

Hello! My name is Brutus Buckeye and I am a second year chemical engineering student at OSU. Growing up, music was always a big passion in my life which is why I originally wanted to be a band director. However, once I took my first chemistry class in high school, I found something I loved even more than music: STEM. My chemistry teacher was fantastic, I learned so much in his class and he always pushed me to work hard and be the best student I can be. He encouraged me to look into chemical engineering as my major, and once I did, I knew this was what I wanted to do with my life. This major is also special to me because my grandfather was a chemical engineer as well. I grew up listening to stories about him working with Uranium in a nuclear lab. As fun as that sounds, I would rather go into an industry that makes cosmetics with my future chemical engineering degree!

My first year and a half at Ohio State has been amazing. Since I am part of the Engineering Learning House, I get to live with other talented and hard-working engineering students who always push me to do my best. Living on campus has also given me the opportunity to join and participate in many activities and clubs. I am a member of Society of Women Engineers (SWE) and the American Institute of Chemical Engineers (AIChE). These organizations have helped me feel more connected to my community, which is something all college students need. In addition to my studies, I have enjoyed going to the football games and many school spirit pep rally's! I love going to Ohio State, and I wouldn't be able to have these amazing experiences without you. Thank you so much for your generosity, I can't begin to explain the gratitude I feel for your help. I'm looking forward to putting your scholarship to good use next semester!

Best,

Brutus Buckeye

Villanova's SVP of Advancement resigned effective May 31, 2022. Currently, University President Fr. Peter Donohue is the sole signatory on Stewardship acknowledgements.

Some important notes.

- Fr. Peter insists on hand signing all acknowledgements to donors at the President's Club level or higher.
 - This means all donors giving \$2,500 or more annually receive a hand-signed letter from our President.
 - In FY22 we sent 5,521 acknowledgements, including custom letters, and had 12 merge templates

Thank you for your donation of <DONATION AMOUNT> received on <DONATION DATE> to the <FUND LONG DESCRIPTION> Webster Society Scholarship. Your gift helps build the support system at Webster University that prepares students for a successful future. This support is greatly appreciated by students like Rebecca, a senior scholarship recipient who will be graduating this May.

Having a support system of people who believe in me and my goals has pushed me to stay driven and work hard throughout my time here at Webster University. Now, as I prepare to graduate this May and introduce myself to the world, I walk with confidence and pride, knowing I have the foundation I need to succeed. Thank you for making this possible. Thank you for believing in me and my dreams. – Rebecca '22

At Webster's foundation is a community comprised of students, faculty, alumni, donors, volunteers, and staff whose goal is to offer the resources and support needed for students to succeed. Your gift not only helps with funding for <FUND LONG DESCRIPTION> but the gesture itself speaks volumes to students like Rebecca.

Thank you for helping build the foundation of support that allows Webster students to excel.

With gratitude,

Macy Russell
Manager, Donor Relations & Engagement

COMMUNITY MUSIC SCHOOL

<DATE>

<NAME/ADDRESS BLOCK>

Dear <SALUTATION>,

Thank you for your gift of <DONATION AMOUNT> to the Community Music School (CMS) of Webster University on <DATE>.

The pandemic presented numerous challenges for the performing arts but because of your support the CMS has barely missed a beat, continuing to offer virtual and in-person programming for the CMS community.

We have been fortunate to welcome back live audiences this past fall and look forward to another year filled with music.

Your gift to the CMS will help us in our mission to inspire all students of all backgrounds to immerse themselves in the joy of music making regardless of age, ability, or financial circumstances.

Please check out our new website at webster.edu/cms to keep up with all the wonderful programs and performances happening in our CMS community.

Sincerely,

Nicole Springer
Director, Community Music School of Webster University

Subject: Lynne, you did this!

Donor Relations

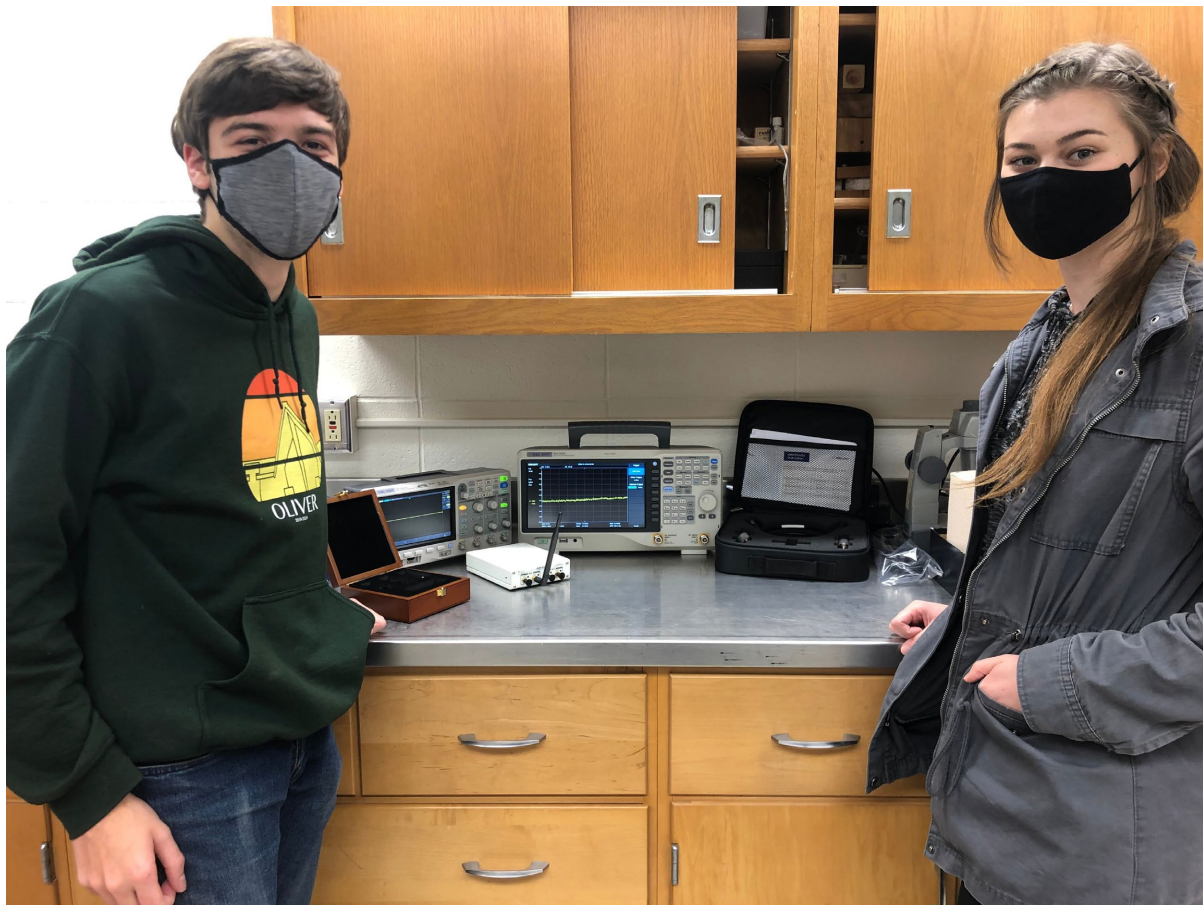

Dear Lynne,

Last February, you helped make One Pine Day 2021 an incredible success - you and other Whitworthians funded all 14 crowdfunding projects. Amazing!

Your generosity continues to make an impact on the Whitworth community today. Over the coming weeks we will be posting "one year later" updates for each of the projects on our social media channels: "Whitworth Gives" on [Facebook](#) and [Instagram](#).

Thank you for supporting these meaningful projects and our students. We look forward to introducing you

to another great slate of projects for [One Pine Day 2022](#), which kicks off Feb. 16.

Outdoor Rec: "Hundreds of students have been able to use the new auto belays and are excited to have this as a resource at our gym. One of the popular games that climbers enjoy playing is "speed climbing," where they race their friends to the top. This game and others would not be possible without the multiple auto belays." – Brad Pointer, Assistant Director, University Recreation Center and Climbing Wall

CubeSat: "Donors' support allowed us to order the parts and hardware needed to start building our prototype of the satellite's power, radiation detection, and computer systems. We have been testing the parts this semester, which gives us hands-on experience building something we are passionate about." Noah Thompson '22

Office of Donor Relations

Dear Lynne,

Your kindness and commitment make Whitworth possible for students.

"With your support I can focus on my studies, grow intellectually and build meaningful relationships with the community," says Selma Hanna '23, a scholarship recipient and business administration major.

One of Selma's meaningful relationships is with Gail Fielding, '62, MAT '79. Gail befriended Selma soon after she first arrived on campus from Egypt and continues to look out for her. "To me, Gail is family," Selma says. "She checks up on me and asks if there is anything she can provide me with. It's a blessing to have family away from home!"

Thank you for caring for students through your generous giving.

Donor Relations

Dear Lynne,

Elsa Michelsen '23 thought she couldn't afford to attend Whitworth this year. But a scholarship funded by **faithful donors like you** brought the music major back for her junior year. "I have a family here," Elsa says. "It truly is a blessing to be able to return."

Elsa is one of *423 students* who received *582 donor-funded scholarships* for 2021-22.

To date, more than *1,700 generous Whitworthians* have made gifts this academic year.

We are deeply grateful for you, and for all you do to make Whitworth possible for students.

Elsa (second from left) is pictured with the Student Engagement Team, whose members are all scholarship recipients.
